Hey Tom – you did mean Wednesday and not tomorrow, yes?

Also, the senior center fell through, but even better, we now have space at the meadowlands commission, also in lyndhurst – I was out on Friday when the change of venue happened and an email was sent out (jacky g. and ben r. received it) – I will forward a copy of that to you (sorry, meant to do that earlier today).

We've got a bunch of positive RSVPs from local municipalities and assembly districts – did you all hear from anyone?

We are not inviting press.

Thanks!

Ps – I do not believe I will be in attendance – our local government coordinator, Rob Goulding, has been honcho'ing this, so he'll represent.

Hey Chris. Looking forward to tomorrow. How is turnout looking. Is EPA inviting press?

Hi Tom – here are the basics....

Date: Wednesday, march 20.

Time: 9am-11am

Purpose: Present EPA's potential plans for cleaning up the lower 8 miles of the Passaic River, and compare to the CPG's plans – plus Q&A.

Speakers: Walter Mugdan, Ray Basso, Alice Yeh from our Superfund program.

In addition, I've attached a 2-page fact sheet that you may find useful.

Also, here's who we'd like to have there:

Belleville, Bloomfield, Clifton, East Newark, East Rutherford, Elmwood park, Garfield, Harrison, Kearny, Lyndhurst, Newark, North Arlington, Nutley, Passaic, Paterson, Rutherford, wallington, Bergen co, Hudson co, essex co and Passaic co. And NJ Senate/Assembly Districts: 27, 28, 29, 31, 32, 33, 34, 35, 36, 38.

We're doing outreach but would appreciate any you all can add on.

Currently, we are shooting for electeds and their reps only – not NGO's.

Thanks!

Hey Chris,

Can you please send me a brief request that I can forward to Lyndhurst? They need to know the date, time, purpose and who will be speaking at the forum.

Thanks!
